

Dear Rocky Mountain Pharmacy Patients,

Please be aware that many insurance plans renew and deductibles restart in January, the beginning of each calendar year.

We are required by your insurance provider to collect outstanding deductibles, until they are met, starting at the beginning of each calendar year - for most insurance plans.

We will do our best to verify amounts with your insurance provider at the time of prescription fulfillment. However, this process can require some lead time so we appreciate your patience as we strive to provide you with an accurate cost for your medication or supply order.

Rocky Mountain Pharmacy does not provide payment or credit accounts thus payment for products/services is required at time of service.

If you have questions about your financial responsibility for pharmacy supplies/services, we encourage you to reach out proactively to your insurance company where you will receive necessary information regarding deductibles and answers to other questions you may have.

Thank you for your continued support of our pharmacy!
